**Ultra-light construction,
brilliant LED flashlight,
loud signal whistle**

SL™1 • 6 Features • 2.7oz (72gm)

These versatile, lightweight folders are ideal for use in low light situations. The blades are razor sharp and a sleeve along the top of the handle holds a brilliant LED flashlight. The flashlight is waterproof for shallow immersion or for use in wet environments. Nothing gets attention like a loud signal whistle and these knives have one built-in. The flashlight in the SL™1 even has a magnetic base so that it can be attached to any ferrous metal surface and used independent of the knife.

SL™ 1 3" 50/50 Serrated Blade

- 1 Zytel frame with liner style lock
- 2 Razor Sharp, Stainless Blade
- 3 Brilliant LED Flashlight
- 4 Loud Emergency Signal Whistle
- 5 Pocket/Belt Clip
- 6 Lanyard Hole

**Ultra-light construction,
brilliant LED flashlight,
loud signal whistle**

SL™1 Mini • 5 Features • 1.9oz (51gm)

This versatile, lightweight folder is ideal for use in low light situations. The blade is razor sharp and a sleeve along the top of the handle holds a brilliant LED flashlight. The flashlight is waterproof for shallow immersion or for use in wet environments. Nothing gets attention like a loud signal whistle and this knife has one built-in.

SL™ Mini 2" Plain Edge Blade

- 1 Zytel frame with liner style lock
- 2 Razor Sharp, Stainless Blade
- 3 Brilliant LED Flashlight
- 4 Loud Emergency Signal Whistle
- 5 Pocket/Belt Clip
- 6 Lanyard Hole

A complete survival kit with Magnesium Alloy Fire Starter

SL™3 • 5 Features • 2.7oz (72gm)

This versatile, lightweight folder offer a unique combination of functions for offroad survival. So it's perfect for active outdoor sports like hunting or camping. A sleeve along the top of the handle holds a premium magnesium alloy fire starter. The fire starter can throw off an intense shower of sparks at 2500. even when wet. The back of the handle also has a loud signal whistle built-in. At just 2.7oz it makes a great addition to any pack or to the glove box or tool kit in your car for unforeseen emergencies.

SL™3 Fire

- 1 Zytel frame with liner style lock
- 2 3" 50/50 Serrated Stainless Blade
- 3 Magnesium Alloy Fire Starter
- 4 Loud Emergency Signal Whistle
- 5 Pocket/Belt Clip
- 6 Lanyard Hole

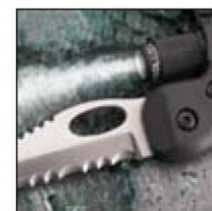

Emergency rescue in low light conditions

SL™6 • 8 Features • 2.7oz (72gm)

This versatile, lightweight folder is ideal for emergency rescue in low light situations. The blade features a serrated cutting surface plus a razor sharp seat belt cutter. A sleeve along the top of the handle holds a brilliant LED flashlight that has a window breaking punch on the back. The flashlight is waterproof for shallow immersion and for use in wet environments. If you need to attract attention, the back of the handle has a loud signal whistle built in. The SL™6 Rescue is tough enough for EMS and law enforcement applications. It also makes a great addition to the glove box in your car for unforeseen emergencies.

SL™6 Rescue

- 1 Zytel frame with liner style lock
- 2 3" 50/50 Serrated Stainless Blade
- 3 Seat Belt Cutter with Rounded Tip
- 4 Brilliant LED Flashlight
- 5 Window Breaking Punch
- 6 Loud Emergency Signal Whistle
- 7 Pocket/Belt Clip
- 8 Lanyard Hole

The look and feel of a tactical folder with the versatility of pliers

SLPLY • 8 Features • 4.2oz (117gm)

The SL™ Plier has a razor sharp 3" spear point blade in a sleek tactical body style. The blade is tough, high carbon stainless steel, while the handle also features a high quality folding pliers with wire cutter, plus screwdrivers. Thumb grooves on top of the handle offer excellent grip and feel. The SL™ Plier also has a stainless boot/belt clip for easy carry. Tough, light weight and incredibly versatile, the SL™ Plier is ideal for rugged use both on and offroad.

SL™ Plier

- 1 3", 50/50 Serrated Stainless Blade
- 2 Folding Plier with Wire Cutter
- 3 Screwdrivers
- 4 Stainless Boot/Belt Clip
- 5 Solid Steel Body with Zytel Overlay
- 6 Frame Lock
